The best thing about OnBase is...

SIMPLICITY

“The ease with which end users access information. It is very user friendly.”

-Lisa Saletnik
Country Bank

“The ease of use for both users and administrators. Scalability, flexibility, and the support from Hyland and its partners.”

-Solly Bellingan
Mercantile Bank South America

“My users can find what they need with the touch of a button.”

-Sherry Pearcy
Farm Credit Mid-America

SCALABILITY

“It can be used in any process or department.”

-Doug Russo

FLEXIBILITY

“It is on par with each user’s needs. We retrieve (documents and information) using various methods – doc pop, folders, custom queries, document retrieval and a few options using Unity scripting.”

-Steve Harms
Great America Leasing Corporation

“Its flexibility and how it meets my needs.”

-D. Ann Bailey
Resurgent Capital Services

“The ability to store and retrieve documents easily. The solution can also be rolled out to the organization seamlessly so everyone has access to all of the same information, can collaborate and has all relevant information at their fingertips.”

-David Ignash
GreenStone Farm Credit Services

ACCESSIBILITY

“Hyland employees, they know their product.”

-Kim Kercher
Moreland Management

“The user community. They are always willing to share ideas and solutions. The knowledge base of the users is so vast, there hasn’t been a challenge they haven’t overcome.”

-Andrew Weibel
Lee Bank

“Access to Hyland employees.”

-Mitzie O’Rourke
Hilliard Lyons

“Its Technical Support teams who are willing to take a thousand calls while new administrators learn the product.”

-Brian Mueller
Colorado Housing Finance Authority
